NANTUCKET SUPERIOR COURTROOM

MEMBERS ABSENT: Mr. Chadwick.

Meeting called to order at 6:00 p.m.

AGENDA

1. Any comments/concerns from the public. None noted.
2. Unanimous approval of minutes of September 26, 2007 and October 17, 2007.
3. Public Hearing regarding amendment of Regulations 53.00 and 68.00 – HO Ray recommends adding an additional amount of time to the initial timeframe for inspections in both harbor watershed protection districts due to the amount of systems which still need inspections and the shortage of inspectors. To date of the 602 Nantucket Harbor Watershed Inspections, 254 have been inspected; 239 have passed; and 15 have failed. Of the 447 Madaket Harbor Watershed Inspections, 74 have been inspected; 50 have passed; and 24 have failed.

HO Ray is asking the BOH to give the Nantucket Harbor Watershed Protection District an additional one year extension, and the Madaket Harbor Watershed Protection District an additional two year extension period for inspections. (Promulgation of regulations is 6/14/06.)

BOH unanimously approves extensions for both harbor watershed districts.

4. Mr. Kopko comments on citizen articles regarding adding parcels to the sewer district and mentions that a criteria checklist worksheet should be available at the DPW and the Planning Board.

The BOH adjourns at approximately 6:29 p.m.
